- Row 4:**
 - N.**: Shows a large irregular shape on the left and a grid pattern on the right.
 - W. FOSTER**: Shows a large irregular shape on the left and a grid pattern on the right.

This figure consists of a grid of hand-drawn maps of residential street plans, likely from a 1930s zoning map for New Haven, Connecticut. The maps are arranged in four rows and five columns. Each map shows a plan of streets and buildings, with house numbers and specific features highlighted in blue and yellow. Labels identify neighborhoods such as N. MAPLE WOOD, N. ARTESIAN, N. CAMPBELL, and W. FARRAGUT. Arrows point to various features like fire escapes and specific buildings.

REPRODUCED BY SANBORN MAP COMPANY, INC., BELMONT, N.Y.

A horizontal scale bar representing distance. It features a central vertical tick mark labeled '0'. To its left is a tick mark labeled '50' and one labeled '100' further left. To its right is a tick mark labeled '100' and one labeled '200' further right. The entire bar is labeled 'SCALE IN FEET' at the bottom.
